Letter of condolence – Ankara bombings

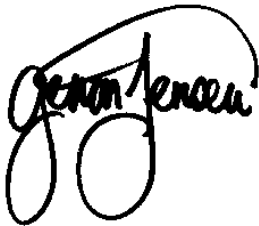

Dear Bayazit Ilhan,

I understand that the Turkish Medical Association was one of the organisers of last Saturday's Peace Rally in Ankara, which ended so tragically.

With this letter we wanted to express our shock at the horrific suicide bombings that took place last Saturday. Our thoughts are with the families of those who lost their lives or are injured, with TTB and all those who are working towards peace in Turkey.

Our sincere condolences.

Regards,

Genon K. Jensen, Executive Director, HEAL
